### Framework Festival 2025 at The Traverse Theatre

17th May 2025

#### Getting to the Event:

The address is: Traverse Theatre, 10 Cambridge St, Edinburgh, EH1 2ED

#### Parking:

There are four **blue badge bays** on Cambridge Street, immediately outside the Traverse entrance (with step-free access).

The Castle Terrace Pay & Display car park is a short distance from the theatre. There is Pay & Display on-street parking in surrounding streets, but this is often very busy.

More info on travel to the Traverse is available here:

<https://www.traverse.co.uk/your-visit/getting-here>

### **The Building:**

The Traverse Theatre has **level access** to the Box Office area, and **lift access** to the Bar and to theatre spaces downstairs. If you require lift access to the theatre spaces, please notify the Traverse Sales and Welcome team when you make your booking on 0131 228 1404 or [boxoffice@traverse.co.uk](mailto:boxoffice@traverse.co.uk).

There are **wheelchair spaces** available in both theatre spaces – let the Sales & Welcome Team know when you make your booking so that they can offer you the best service for your needs. Level access for Traverse 2 involves a long walk, but we have two wheelchairs available for visitors' ease of use.

There is an **accessible toilet** and **gender neutral** toilets in the bar area.

Guide dogs and hearing dogs are always welcome.

For more information, alongside a video demonstrating access to the Traverse, follow this link:

We have a **financial support bursary** of £30 designed to support those who might lose income, or incur expenses to attend in-person on the 17th May. These may be expenses such as childcare or transportation, but we do not require any information other than your name and contact details.

If this might be beneficial to you, please apply to the bursary by 14th May. 6 applications will then be selected randomly by lottery and contacted. Bursary form here:

All events on the day will be **relaxed** – attendees can enter and exit as they wish.

**BSL interpretation** is available upon request, in advance of the day itself.

Framework Festival will also **not** be captioned.
